Global Innovation Platform for Technology Commercialization

July 13th (Tue) ~ 15th (Thu), 2021

#L701 Lecture B/D, KAIST Munji Campus

KAIST GCC (Global Commercialization Center) cordially invites you to partake in the 2021 July Global Commercialization Conference and Workshop (GCCW), an Open Web Conference that will take place on July 13-15, 2021.

Under the theme of 'Global Innovation Platform for Technology Commercialization', GCCW aims to simultaneously discover cooperative networks and create business opportunities. It will bring together cooperative partners from all sectors—government representatives, R&D researchers, and industry collaborators—on a Global Innovation Platform to discuss a collaborative agenda to explore the importance of biotechnology, aftermath of COVID-19, and ICT convergence technology commercialization.

We look forward to the opportunity to strengthen the Global Innovation Platform for a mutually beneficial relationship at GCCW. We are grateful to all the presenters and participants at home and abroad and express our sincere gratitude for dedicating time and effort to attend and support the 2021 July GCCW.

PROGRAM

DATE | July 13th (Tue), 2021

Session

Program

Opening Session

10:00 - 10:05
(5 min.)

Opening Address

Mun-Kee Choi, Director, Global Commercialization Center, KAIST

10:05 - 10:10
(5 min.)

Commemorative Remark

Jiangsu Department of Science and Technology

10:10 - 11:00
(50 min.)

Special Presentation

Bio Industry Status and Global Cooperation in Suzhou Industrial Park

Moderator:
Byung-Hwa Hyun / Head Researcher
KAIST GCC

Introduction of SIP Innovation Ecosystem

Xu Wenqing / Party Secretary
Suzhou Industrial Park (SIP)

SIP Bio Industry Status and Ecosystem

Lenka Zhang / Deputy General Manager of BD Department
Bio BAY

Session 1

Korea-China Technology Commercialization
Biopharmaceuticals

11:00 - 12:40
(100 min.)

Session 1

Commercialization Plan for Biopharmaceutical Area

Moderator:
Chonghwan Chang / CEO
MetiMedi Pharmaceuticals

Heavy Chain Only Antibody (HCAb) and HCAb Based Bispecific Antibody Platform

Liujun Song / BD Director
Harbour Biomed

Challenge & Innovation: ALTEOGEN's Platform Technologies

Tae-Yon Chun / Senior Vice President
Alteogen, Inc

Utilizing Integrated Technology Platforms to Develop Next-Generation Cancer Therapeutics

Kuifeng Wang / Founder & CEO
GENHOUSE BIO

T-cell-mediated DNA vaccines: Therapeutic & Prophylactic

Jin Won Youn / Executive Director
Genexine, Inc.

Lunch

PROGRAM

DATE | July 13th (Tue), 2021

Session

Program

Session 2

Korea-China Technology Commercialization
Oncology Diagnosis

14:00 - 15:40
(100 min.)

Moderator:
Laura Du / General Manager
Industrial Technology Innovation Research Institute (ITIRI)

Session 2

Commercialization Plan for Oncology Area

Biomarkers for the Detection of Ovarian Cancer	Ken Kyoung-Hoon Suh / CEO E&S Healthcare
Drug Development by Employing Artificial Intelligence (AI)	Sangwook Wu / CEO PharmCADD Co.,Ltd
Hemorrhage and Blood Coagulation On-line Monitoring System Based on Micro-Fluidic Platform	Nan Su / General Manager Bio-Cell Biology
Diagnostic Strategy Under New SARS - CoV-2 Variants	Jiafa Xu / Manager Jiangsu Bioperfectus Technologies Co., Ltd

Break

B2B Business Meeting

16:00 - 18:00
(120 min.)

ROOM 1
Korea to China

ROOM 2
China to Korea

Session 3

K-Bio Lab Hub and Global Commercialization

16:00 - 17:30
(90 min.)

Moderator:
Pil Jae Maeng / President
Bio-Healthcare Association

Session 3

K-Bio Lab Hub and Global Commercialization

Pil Jae Maeng / President Bio-Healthcare Association	Jay S Kim / Professor Boston University	Insuk Kim / Manager Korea Institute of Toxicology
Soyoun Kim / CEO PCL, Ink	Ken Kyoung-Hoon Suh / CEO E&S Healthcare	

PROGRAM

DATE | July 14th (Wed), 2021

Session

Program

Session 4

Korea-U.S. Technology Commercialization Network

08:40 - 11:40
(180 min.)

Session 4

North American Market Opportunities Analysis and Partner Discovery

Readiness of Global Commercialization for Entering U.S. Market

Lunch

Session 5

Korea-India Technology Commercialization Network

13:00 - 15:00
(120 min.)

Session 5

Cooperation for ICT Convergence Technology Commercialization between Korea and India

AI Technology and X-ray Scanner for Effective Threat Detection	Hyungdal Park / CTO AiRISS
Revolutionizing Inspection Tasks with AI and X-ray	Himanshu Arora / Co-Founder and CEO Dimensionless Technology
New Opportunities for the Digital Transformation of Pathology	Jisun Min / Team Leader Molpaxbio
AI in Medical Imaging – Collaboration	Dinesh Koka / CEO Onward Assist
India-Korea Industrial R&D Cooperaiton	Sanjeev K Varshney / Adviser and Head, International Cooperation Division Department of Science and Technology, Ministry of Science and Technology, Government of India
Technology Commercialization and its Licensing & Transfer: A Glance on Collaboration Opportunities Between Korea and India	Manish Anand / CEO 'iHub Divyasampark' Technology Innovation Hub, Indian Institute of Technology Roorkee

Moderator:
Prayag Lal Yadav / Research Assistant Professor
KAIST GCC
