2016 Global ICT Seoul Forum

Technology Transfer for ICT Development

Nov.30th (Wed), 10:00~19:30

Convention Center at Faculty House in Seoul National University

Welcoming Message

We would like to give a hearty welcome to all the participation. As a place to share a new global partnership of countries with ICT experts from around the world, "2016 Global ICT Seoul Forum" will be held at the Faculty House, Seoul National University on November 30th 2016, organized by the Ministry of Science ICT and Future Planning (MSIP), Co-managed by the Institute for Information & Communications Technology Promotion (IITP), Seoul National University-International IT Policy Program (ITPP), and Korea Advanced Institute of Science and Technology-Global IT Technology Program (ITTP).

Followed by last year's success, this forum will gain ground as an International event by inviting government officials and international scholars and experts. At the same time, the forum is to be expanded as place of higher education and research cooperation.

We would be honored with your attention and participation in the 2016 Global ICT Seoul Forum guiding direction of cultivation global talent for better tomorrow.

Institute for Information and Communication Technology Promotion
President of IITP, Sanghong Lee

International IT Policy Program of Seoul National University
Director of ITPP, Prof. Junseok Hwang

Global IT Technology Program at Korea Advanced Institute of Science and Technology
Director of ITTP, Prof. Jaejeung Rho
